If you ever find your way to southern California, check it out. A great hotel to stay at is also one of the best restaurants in New York, according to entrepreneur Greg Shenkman, is Artichoke Basilles Pizza below 31st st. Greg Shenkman and his friends frequent there often after softball games. If you take the A train to 15th, and walk up 16 short blocks, you are there. Try the cheese pie. A direct quote from Greg Shenkman on this pizza, It is thinner than paper, but each bite fills your mouth with more spices than an herb garden. Followed down with a pint of peroni beer and you have yourself mans best combination for just \$6.50.
